RE: Reference Letter Galina Vasileva

To Whom it May Concern:

SoftGrid is an architecture and urban planning practice working on numerous commissions across mainland China and is concentrating on three main areas:

- Urban Planning
- Architectural Design
- Sustainability Consulting

Ms. Galina Vasileva was employed as an Architect, Urban planner and Sustainability Consultant in our company for a period of 4 years, from April 2014 until May 2018. Galina's expertise, design and communication skills kept on developing during her stay with us to a senior position, constantly adding more responsibilities to her role and value to our company. During her tenure with us she worked on a variety of projects and was involved in all stages of the work process, including:

Her involvement in most of the above projects was to occupy the team-leading, project managing position, which she carried out with highest diligence and commitment towards her own work and towards the efficiency and quality of her team.

I highly recommend Galina as a candidate for any senior position she may seek. She is reliable, professionally literate, energetic and considerate.

If you have any questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Rolf Demmler
